

## Small Group Week 6

Watch Video: <https://bibleproject.com/explore/video/numbers> (7 minutes)

- Video Questions;
1. Why did God order a census in the book of Numbers? Num. 1:3
  2. Why did Moses send out twelve spies into the Promised Land? Num.13:18-20
  3. What made Caleb and Joshua's report of the Promised Land different from the other 10 spies? Num.14:6-9
  4. Extra credit – This wasn't in the video, but does anyone know what happened to the other 10 spies? Num.14:37
  5. Why was Israel cursed with 40 years of wilderness wondering? Num.14:23
  6. Why was Moses not allowed to enter the Promised Land? Num.20:7,11-12
  7. The video accidentally calls Balaam and Balaak the same name, Balaam. Balaak was the King and Balaam was the prophet. Why could Balaam not curse the Israelites? Num. 23:8

Fun Fact - Numbers 2 speaks to the arrangement of the tribes. The video depicts the setup as an "X", but when you take tribe size into account, it actually comes out setup like a cross!

- Starter Question Suggestions to keep the conversation going
1. Did anything stand out to you in your bible reading this week?
  2. Was there anything troubling or confusing to you from your reading this week?
  3. Did anything from your reading this week make you think differently about God?

Feel free to keep the conversation going with any of your own questions.

- Prayer Requests/Pray
- Suggested reading for next week; Deuteronomy 1-34
